

# Is Now the Time To Reinvest in Your Business?

During this economic downturn, some business owners are hunkering down and waiting it out. Others see this period as an opportunity to grow market share. We at DW Healthcare Partners believe now might be the time for you to reinvest in your business.

Have you explored:

- Acquiring under-valued product lines and/or companies
- Investing in R & D to create your next generation products
- Expanding into new markets

One or more of these activities could fuel your growth for the next several years.

DW Healthcare Partners can be a valuable partner, as we:

- Have considerable capital available for investment
- Only invest in healthcare companies
- Are flexible in the types of investments we make
- Can evaluate and make investment decisions quickly
- Have knowledge and operational expertise across multiple sectors of healthcare
- Have a proven track record in helping our partners build shareholder value
